Understanding the Freight Transportation Service Providers (TSPs) Role

T&T Mission

The Transportation & Property Management Division (T&T) provides competitive transportation services and solutions, at best value, to enable Federal civilian agencies to accomplish their agencies' mission

Organizational Structure

Overview – The ABCs

- Approval Process
- Booking Shipments
- Customers

Approval Process

- Contact Jim Stroup located in Kansas City, MO @ 816/823-3646 , e-mail jim.stroup@gsa.gov
- Visit the web @ www.gsa.gov click transportation, then Freight Management
- Obtain documents from the web under “Freight TSP Approval Requirements”

GSA's Standard Tender Of Service

- GSA's STOS is the base document for the transportation of freight-all-kinds (FAK) shipments by those federal civilian agencies that participate in GSA's Freight Management Program and includes the following parts:
 - No. 1-F General Freight Tender of Service
 - No. 1-D National Rules Tender
 - No. 1000-D Baseline Rate Publication

Freight Requests For Offers (RFO)

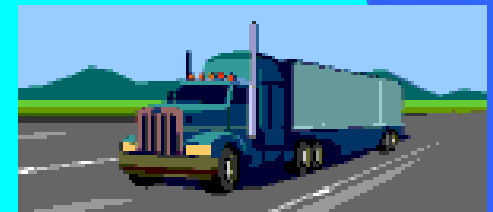

- Process by which GSA invites TSPs to submit rates to provide transportation services for freight shipments
- Transmits the special filing instructions for the submission of rate offers
- Only approved TSPs who agree to abide by the STOS terms & conditions are eligible to file rates

Booking Shipments

- TMSS enables GSA customers to effectively & efficiently manage the entire transportation process; visit www.moveit.gsa.gov for more info
- TSPs use TMSS to submit rates electronically
- Tenders - paper documents (OF 280) used to submit rates for special equipment that can't be accepted in TMSS
- Schedules - a simplified process for obtaining commonly used commercial supplies & services at prices associated with volume buying for use by all Federal agencies.
